Carver-Price School News

Hello Readers! The opening basketball game of the season was held Tuesday night, Dec. 6, against Susie Gibson High, of Bedford. The score was very close, with our Carver "Panthers" losing by one point, 52 - 51. George Jennings was the leading scorer with 28 points. He is co-captain this year, with Raymond Lawing as the other co-captain. The Varsity players who began the game last night were: James Williams, James Ferguson, George Jennings, John Brewer, and William Bruce. Other good players were: Raymond Lawing, Herbert Williams, William Bruce, Walter Jones, Aubrey Thornton, and Isaac Trent. Looks as though we are going to have a winning team, even though there is only one veteran varsity member, George Jennings. We are proud of you, team, and Coach N. H. Miller. The girls played the preliminary game with members of the intramural teams. The "Yellows" won over the "Blues" by a score of 17 - 14. Cheerleaders were really keeping up the spirit. There is a very energenic group of cheerleaders this year and we expect much pep at our games. Those members of the Pep Club who led cheers Tuesday night were: Frances Austin, Dianne Tibbs, Vaeltta McCoy, Viola Johnson, Rosa Jones, and Sarah Lipford.

Wednesday night the Varsity plays Campbell County High School there. We are expecting a win! Quite a few students are accompanying the team as able supporters.

On Monday evening the County Teachers' Association held an In-service Education Workshop for Improving Instruction, directed by our Supervisor, Mrs. Mozella J. Price. It was divided into three parts: Selection and Classification of Materials for classroom use; a Panel on Mental Health in the Classroom, and Demonstrations on Art. Superintendent J. A. Burke and Dr. Aubery Keesee attended the meeting and made helpful contributions to the Panel. Display tables were arranged for materials — textbooks, magazines, pamphlets, news clippings and art activities carried on in the classrooms, with emphasis on Christmas. Mrs. Price summarized the meeting.

Last Saturday evening an entertainment was ponsored by the Senior Class for the benefit of the P. E. Department. These girls have plans in mind — they're looking for your support.

Until next week, our thought: "Blessed is he who has found his work; let him ask no other blessedness. He has a work, a life purpose. Labor is life."

REP. W. M. ABBITT ADDRESSES GROUP ON PROBLEMS OF FARMER

Washington,- Representative Watkins M. Abbitt (D-Va.) declared here this week that unless business and industry assume a responsibility for helping to solve the problems of the farmer, the country cannot hope for continued prosperity.

Abbitt told the 47th annual convention of the Vegetable Growers Association of America Monday that the agricultural leaders of the Eisenhower Administration "have done anything but lead."

Speaking at the Sheraton-Park Hotel before several hundred delegates, the Fourth District Congressman said the goal towards which every segment of America should strive is an enlarged markekt for our agricultural surpluses.

"The only sound solution for the ills of agriculture is more markets and that can only be obtained by opening the free markets of the world to the produtes of the American farm and take the American farmer out of the vacuum that he finds himself in because of the many segments of our society that are protected by laws which work to the detriment of our farmers," he declared.
